

# WSAPC Personal Development LEARNING PATHWAY

## The purpose of the Personal Development curriculum:

- Our aim is to support and prepare students to live safe, healthy, and productive lives
- To enable students to identify and manage risk in the community, relationships, and online
- To equip students with the knowledge and skills needed to ensure success with personal effectiveness, interpersonal skills and decision making
- To develop students understanding of British values, diversity and equality
- To equip students with essential skills for their lives outside of school, into adulthood and the world of work
- To support the students Literacy skills by improving reading comprehension and Speaking and listening skills
